Guiding the ship through the storm
As we step deeper to the process of combining the two companies, the steering committee and myself feel we have done the right thing. I know that a lot have doubt the ability to harness these two steam engines into one, but much to my comfort we are surprising ourselves almost on a daily basis with the level of synergy we find.

On our last milestone meeting (see item) we have managed to reach few critical decisions. These are laying the ground to a detailed business plan we will be presenting to you all next week. Obviously, not all the issues are resolved however I do urge you to view the latest decisions we published after our last meeting "Milestone 3 decisions" and ...

The network security for the new Miami offices Arnold 5/15/02 9:27:30 PM

Can someone point me to where I could find the Network security standards? I am mainly looking for the HTTPS license authority you are using, and PC browsers security standards by Positions.
